

Dear Hope Chest News Golf Tournament Supporters:

Due to COVID-19, we have regretfully canceled the Annual HCN Golf Tournament, which was scheduled for Saturday, July 25th, 2020 at Goodrich Golf Course in Maplewood.

Our 2021 tournament is scheduled to take place on Saturday, July 31st, 2021 at Goodrich Golf Course in Maplewood. Hope to see you there!

The Hope Chest News golf tournament is our biggest fundraiser of the year. Due to canceling this year's event, we will need to rely on our previously raised donations to support our patient financial needs. Even with excellent insurance coverage, the average lung transplant patient has significant uncovered expenses. It is not uncommon for patients to have several thousand dollars in out of pocket expenses following transplant. To help HCN continue to provide financial support in the form of small grants to patients in need, we are asking you to please donate in lieu of our cancelled tournament. If you can give a monetary donation of any amount, it will help. If you or someone you know has been helped by this organization in the past, you know how important it is. Please help keep this vital organization going! The lung transplant patients and families at M Health depend on it.

Donations are tax deductible as allowed under federal guidelines. All donors will receive acknowledgment in our next newsletter.

TO DONATE, GO TO: <https://www.givemn.org/story/Fsex3g>

Over 95 percent of the funds we receive are reserved for direct patient benefit, so we assure you that your donation would be well spent.

We wish you good health,

Hope Chest News Board of Directors & Golf Committee
